

FOR IMMEDIATE RELEASE

Xyli-Tots Littles Kit

Caries is the #1 childhood disease according to the CDC, so why not use products that focus on promoting good oral health? The CariFree Xyli-Tots Littles Kit is a great supply of products that help prevent cavities for your young patients with the proven benefits of xylitol and CariFree's patent-pending pH+ technology. Ideal for stay-at-home or on-the-go Moms. Products that make dental health easy with flavors that kids will love.

Littles Kit contains one each of the following: Oral Wipes, Oral Neutralizer Gel, Mouth Spray and one sample Lollie. Oral Wipes are available in Watermelon Wiggles or Grape Giggles flavors.
