Bio: Dr. V. Kim Kutsch, Founder & Chief Executive Officer

Dr. V. Kim Kutsch serves as Chief Executive Office and Chief Technical Officer of Oral BioTech, manufacturers of the cavity prevention system known as CariFree.

Dr. Kutsch received his DMD degree from the University of Oregon's School of Dentistry in 1979. Lecturing extensively on an international basis, he also acts as product consultant and inventor for air abrasion, lasers, and adhesive and cosmetic dentistry. As well-published author, Dr. Kutsch has written dozens of articles and abstracts on minimally invasive dentistry, laser dentistry, dental caries and biofilms in dental and medical journals. He has also contributed to several texts, served as an editorial staff member for Reality, and sits on the editorial board of several dental journals. In addition to his editorial work, Kutsch is graduate and mentor for the prestigious Kois Center in Seattle.

As an inventor, Dr. Kutsch holds numerous patents for air abrasion devices, powders, nozzles and methods, as well as patents on cosmetic dental materials and methods. He is the former president of the International Academy of Laser Dentistry, and the Academy of Laser Dentistry. Holding a Category III mastership in Lasers in Dentistry, he is a fellow of the American Society of Lasers in Medicine and Dentistry. He is also founder, fellow, diplomat and first president of the World Congress of Minimally Invasive Dentistry. Additionally, Dr. Kutsch sits on the Board of Directors for the World Clinical Laser Institute, and also as a member of the ADA Dental Materials Laser Committee. He has served on the board of directors of the American Academy of Cosmetic Dentistry, and University Relations Committee. Dr. Kutsch acted as founder and President of Kreativ Microdentistry Systems, which developed the first minimally invasive dentistry system. He also serves as an expert witness and regularly mentors dentists and dental study clubs on a variety of topics. He is a founding member of the Rendezvous annual dental meeting in Baker City, Oregon.

Dr. Kutsch is truly a pioneer in the dental industry, making constant strides towards the dental revolution, all while maintaining his patient oriented dental practice in Albany, Oregon.
